

Norman[®] Advantage[™]

Quality & Innovation

Not all shutters are made to the high exacting standards set by Norman[®]. We design and manufacture every shutter to provide trouble-free operation to last a lifetime. The difference is in the details.

- Built to last a lifetime
- Engineered stiles
- Mortise and Tenon joints
- Stainless steel staples
- Multiple hand sanding and finishing
- Prescription wood conditioning
- No VOC's (Volatile Organic Compounds)
- Lifetime Warranty
